Song Writing Workshop

Tuesday 23 July, Thursday 25 July, Tuesday 30 July & Thursday 1 August | 11am-1pm | Acomb Explore

Join musician and poet, Laura Sutcliffe, for four songwriting workshops at Acomb Explore Library. Inspired by Laura's own project linking words, music and illustration to express the beauty of nature and the need to protect it, these workshops will explore simple ways to create a group song on a nature theme. The workshops will include 'soundscapes', small and large group activities, and the incorporation of sights, sounds and ideas that have been discovered between sessions.

No musical experience necessary, just an interest in songwriting and a curiosity about nature!

The price of the workshop is for all 4 days.

Age: 11+ | £8.00 | Booking required

The Story Engine

Monday 12 August | 11.30am-3pm | Acomb Explore

Ever wondered if AI can spit out stories like us humans do? Dive into the deep end of creativity at our story creation workshop!

We're not just talking about where ideas come from but also whether there's such a thing as a totally original idea. Let's unravel the mystery together as we explore how AI stacks up against the OG storyteller: the human brain! (spoiler: this was AI generated text) The price of the workshop includes lunch.

Age: 11+ | £5.00 | Booking required

LEGO Robotics Summer Club

Tuesday 27 August to
Friday 30 August
10am-2.30pm | Tang Hall Explore

Join us in this four day workshop to get creative, working in a team to build and program a LEGO Robot. Compete against other teams in a challenge to solve as many missions as possible. Explore how technology is used in everything from Virtual Reality (VR) and Augmented Reality (AR) to theatre, films and live music performances.

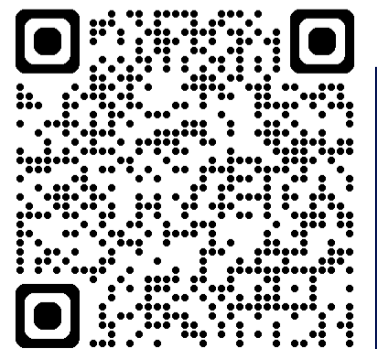

Can your robot get cameras into position, set the lighting and sound for an interactive performance or make sure a scene change runs smoothly? We'll hear from real engineers and people working in the arts about how they use technology in their jobs.

No prior experience is needed, so whether you already have an interest in coding or would like to learn something new and have fun creating with LEGO, this club is for you!

The price of the club is for all 4 days and includes lunch from the cafe each day.

Age: 11-14 | £20.00 | Booking required
